Winemaker Richard Harkham **Est.** 1985 **Dozens** 1700 **Vyds** 3ha

In 2005 Terry, Efrim and Richard Harkham acquired Windarra estate from the founding Andresen family. They manage the vineyard organically, and practise minimal intervention in the winery, reaching its zenith with the preservative-free Aziza's Shiraz, and the Old Vines Shiraz, which receives no oak maturation. Exports to the US.

- 🍷🍷🍷🍷 **Old Vines Shiraz 2011** From vines planted in the 1960s, wild yeast-fermented with no added acidity (or fining agents). A voluptuous and rich dark berry-flavoured medium to full-bodied palate; a gentle egg white fining and a small addition of (natural) tartaric acid might have produced a giant killer, but that's not what Harkham is about, Diam. 14% alc. **Rating** 94 To 2026 \$40

- 🍷🍷🍷 **Aziza's Preservative Free Chardonnay 2013** Rating 86 To 2013 \$35

Winemaker Stephen Oliver, Andy Williams **Est.** 2003 **Dozens** 700 **Vyds** 3.44ha

The Ireland family planted cabernet sauvignon, shiraz, merlot and verdelho vines in 1997, with follow-on plantings of muscat, viognier and pinot gris. Red grapes not required for cellar door production are sold to local wine producers, and some white grapes are purchased from other Granite Belt producers.

- 🍷🍷🍷🍷 **Granite Belt Shiraz Viognier 2012** The viognier was only 3%, which theoretically means it should appear only on the back label. This quibble to one side, the wine has definitely benefited from the viognier, with very expressive red fruits. Attractively priced. Screwcap. 14.6% alc. **Rating** 90 To 2019 \$15 🍷

- 🍷🍷🍷🍷 **Single Vineyard Series The Remparts Semillon 2013** Pale quartz-green; a complex bouquet with flowery citrus and a faint note of spice leads into a richly flavoured, zesty palate, with a subliminal touch of CO₂ giving an extra lift to the lemon juice flavours. Screwcap. 11% alc. **Rating** 96 To 2025 \$30
